Memorandum

TO : GL

FROM : JA

DATE: 8/25/81

SUBJECT: Sullivan : AmB's memorandum

Mrs. Igoe's last letter did not call for a reply. She merely requested that Todd Greentree see to it that the enclosed letters were delivered. Todd complied and informed Ed Martinez telephonically that this had been done.

Pat Lasbury contacted all Sheraton personnel, including the barkeeper and turned up no useful information.

Neither Pat nor Todd had any idea how to locate the taxi driver in question.
